2. Completed Pre-Admission Health Questionnaire, which includes a list of all current medications you are taking.
3. You may expect a phone call from a Pre-Operative Nurse from Specialty Surgical Center, one to three days prior to your procedure, who will confirm your check-in time, give you final instructions – to follow explicitly – regarding when to stop eating and drinking prior to your procedure.
4. You may expect a phone call from our Insurance Department regarding your coverage and benefits and the amount you will need to bring with you as a deposit for your cost share. Payment is expected at the time of admission unless other arrangements are made in advance. We accept cash, checks and all credit cards.
